

**Grain Servicing Businesses** with organic certification or who are using organic practices. Services include planting (P), combine harvesting (CH), trucking (T), grain cleaning (C), stone milling (Mill), heritage seed (HS), modern seed (MS), limited grain storage (LGS), marketing (M).

Included in this list are very large grain servicing operations (L), requiring minimum processing amounts of double truckloads (50,000 pounds and more) as well as some very small operations (S) capable of processing amounts less than 10,000 pounds. Medium sized operations (M) can handle quantities up to 50,000 pounds and preferably greater than 5,000 pounds.
